

Name: \_\_\_\_\_

August 25	5-a-day	Higher
Write 50 as a product of primes.		
	Calculate the volume.	
Factorise $x^2 - y^2$	Factorise $2x^2 + 17x + 21$	
	Line L and PQ are parallel. Find the equation of L.	
	Shown is the graph of (circle the correct answer) $y = \cos x^\circ$ $y = \sin x^\circ$ $y = \tan x^\circ$ Write down the coordinates of A.
