

Name: _____

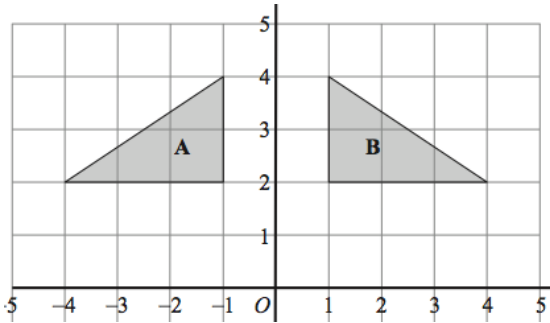

March 6th

5-a-day

Foundation

Estimate

$\sqrt{30}$

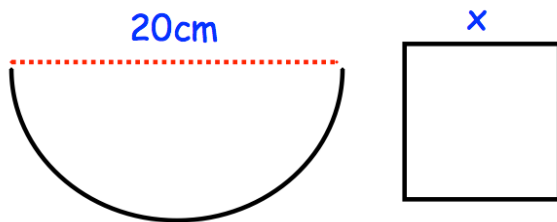

Describe the single transformation

Mark wants to draw a pie chart

Fish	Frequency
Perch	10
Bream	23
Carp	39

Calculate the size of each angle

A piece of wire forms a semi-circle with diameter 20cm.

The wire is then bent into a square with side length x .

Calculate the size of x to 1 decimal place.
