An apple costs 26p each.

Write these numbers in order of size, starting with the smallest number.

0.407 0.74 0.4 0.047 0.7

How long does the train from Leek to Red Island take?

Find the area of this triangle.

Work a number on each card so that:

The range is 7
The median is 8
and the mean is 7.
