

Name: \_\_\_\_\_

October 3rd

5-a-day

Numeracy

Show 8.5 on the number line.

The small bottle holds 250ml.  
The large bottle holds 2L.

How many times larger is the large bottle?

Simplify

$$\frac{12}{20}$$

Work out  $132 \times 23$

Work out  $987 \div 3$
