

Corbett's Conundrums

1st September

Rosie has a set of photographs, less than 100, which she is going to put into an album.

If she puts 2 photographs on each page, she will have 1 left over.

If she puts 3 photographs on each page, she will have 2 left over.

If she puts 4 photographs on each page, she will have 3 left over.

If she puts 5 photographs on each page, she will have 4 left over.

How many photographs does she have altogether?
