

**14th December**

Corbettmaths

Ian is paid £6.50 an hour.  
Bill is paid £8 an hour.

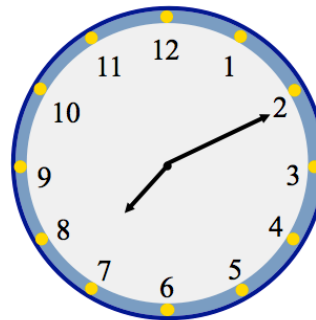

On a Saturday, Bill works 4 hours  
and Ian works 5 hours.

Who earns more?

Work out the missing number.

$$35 + \square = 161$$

Write down the time shown on the clock.

The perimeter of this rectangle is  
15cm.

Find the size of  $y$ .

$$42 \times 19$$

$$9.2 - 1.36$$
