$$36 \times 0 = 0$$

$$58 \div 58 = 1$$

$$36 \times 1 = 36$$

$$58 \div 1 = 58$$

The pie chart shows the colour of sweets in a bag.

Which colour sweet is the most common?

There are 60 sweets.

How many are green?

A counter is picked at random.

Write down the probability that the counter is red.

A counter is picked at random.

Write down the probability that the counter is a circle.

A counter is picked at random.

Write down the probability that the counter is a green circle.
