Find x and y

Find the volume of a sphere, radius 10cm.

Solve using the quadratic formula

$$5x^2 - 10x + 1 = 0$$

Salary, p	Frequency
$0 < p \leq 8000$	1200
$8000 < p \leq 15000$	1750
$15000 < p \leq 25000$	4500
$25000 < p \leq 40000$	1500
$40000 < p \leq 80000$	2000

Draw a histogram for this data.
