

30th June

Corbettmaths

Shown are the shoe sizes for Year 7.

How many year 7s are there?

What is the range of the shoe sizes?

Work out

$$15 + 3 \times 2$$

Work out

$$20 \div 2 + 12 \div 4$$

Expand  $2w(3w - 5)$

Arrange in order from smallest to largest

$$\frac{3}{10} \quad 29\% \quad 34.5\% \quad \frac{1}{3} \quad \frac{6}{25}$$
