Find the length of the line AB

Find the length of the line OB

Find the length of the line AC

Length, l	Frequency
$0 < l \leq 4$	36
$4 < l \leq 6$	40
$6 < l \leq 8$	48
$8 < l \leq 12$	44
$12 < l \leq 20$	32

Draw a histogram for this data.

Frequency
Density

length

Solve $(y - 8)(y + 8) = 63y$
