What is the name of the line OA?

What is the name of the line BC?

Weekly wage = basic edge + number of cars sold x bonus payment

The basic wage is £250 and a bonus of £20 is paid for every car sold.

Mike sold 9 cars. How much was his weekly wage?

Draw the side elevation

Circle the correct word to describe

6y + z

Equation Expression Identity

Simplify fully

4a – 5c + a – 2c

Expand and simplify

5(x + 5) – 4(x – 2)
