Work out 9^0

Work out $9^{1/2}$

A coin is flipped three times.

What is the probability of getting three tails?

Simplify

$$\frac{ab}{3} \div \frac{2a}{b}$$

Complete the table of value for

$$y = \frac{4}{x}$$

x	0.5	1	2	4	8	10
y						

On the grid, draw the graph of

$$y = \frac{4}{x}$$

for $0.25 \leq x \leq 10$
