The scale of a map is $1\text{cm} = 200\text{m}$

On the map, the church and the school are 6cm apart.

What is the actual distance between the school and the church?

Find the size of y .

What type of triangle is shown?

Expand $4(y + 2)$

Mollie is going to draw a pie chart

Sport	Frequency
Netball	15
Hockey	10
Rugby	26
Football	9

Calculate the size of each angle

Write 70 as a product of primes
