Find the mean of:

21 25 27 20 23 26 28 22

$$\frac{192}{8} = \underline{\underline{24}}$$

Simplify

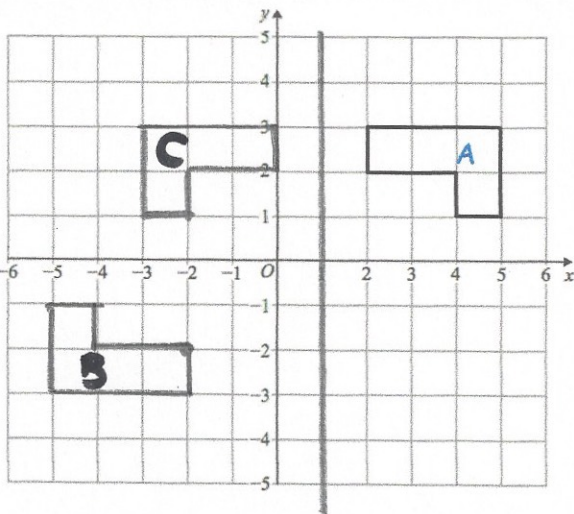

5 x 7w

$$35w$$

Simplify

2w x 3w

$$6w^2$$

Rotate shape A 180° about (0, 0)

B

Reflect shape A using the mirror line $x = 1$

C

Share \$320 in the ratio 2:3

$$128 : 192$$

$$320 \div 5 = 64$$

$$64 \times 2 = 128$$

$$64 \times 3 = 192$$
