

Name: _____

5-a-day

Foundation

11th April

Find the circumference

Draw all the lines of symmetry on the rectangle.

What is the order of rotational symmetry for a rectangle?

Work out the area of this rectangle

If the rectangle is enlarged by scale factor 2, what is the area of the enlarged shape?

How many times bigger is the area of the enlarged rectangle than the area of the small rectangle?

Expand $7(x - 6)$

Expand $y(y + 3)$
