

24th January

43	14	40	56	33
19	46	28	20	17

Write down two numbers from the table with a **difference** of 36.

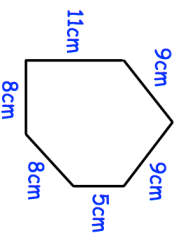

Draw a trapezium

Draw a parallelogram

$$\frac{3}{4} = \frac{\square}{16}$$

$$\frac{2}{\square} = \frac{16}{40}$$

Not drawn
to scale

Find the perimeter of this hexagon.

Find the value of 362×31
