

Name: _____

5-a-day

Numeracy

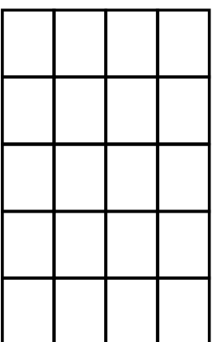

30th January

Write 1257 in words.

Corbettmaths

There are 12 pencils in a box.
Peter buys 6 boxes of pencils.
How many pencils, in total, does he buy?

Shade in $\frac{2}{5}$ of the grid.

Write down the number which is 5 less than three thousand and two.

Mary thinks of a number.

She doubles it.
She then adds six.

Her answer is 32

What was her number?
