

Name: _____

5-a-day

Foundation

Corbettmaths

9th June

Find the mean of:

21 25 27 20 23 26 28 22

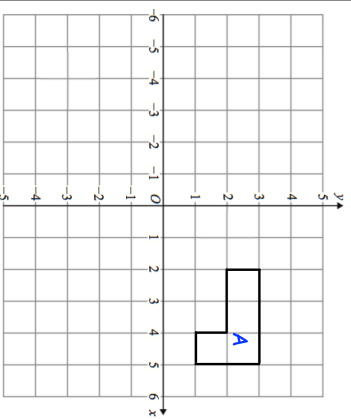

Simplify

$5 \times 7w$

Simplify

$2w \times 3w$

Rotate shape A 180° about (0, 0)

Reflect shape A using the mirror line $x = 1$

Share \$320 in the ratio 2:3
