

12th June		Corbettmaths
	Find the area of shape BDEF	
	Find the perimeter of shape BDEF	
	Find x and y.	
<p>Find the size of the angle shown.</p>		
<p>Line 1 has equation <math>y = 4x - 1</math></p> <p>Line 2 has equation <math>2y - 8x + 7 = 0</math></p> <p>Show these lines are parallel</p>
