

Name: _____

5-a-day

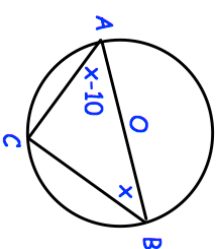

Higher

6th March	Corbettmaths
Evaluate	
16.15×2^{-4}	
Find the size of x	
Factorise $5y^2 + 21y - 20$	
Work out	
$\frac{W}{3} - \frac{W}{8}$	
The probability of a student in a school playing a musical instrument is 0.4.	Work out the probability that exactly 2 students out of the 3 play an instrument.
Three students are picked at random.
