| 19th November | | Corbettmaths | | | | | | | | | | | | | | |
| Work out 9^0 | Work out $9^{1/2}$ | | | | | | | | | | | | | | | |
| A coin is flipped three times. What is the probability of getting three tails? | | | | | | | | | | | | | | | | |
| Simplify $\frac{ab}{3} \div \frac{2a}{b}$ | | | | | | | | | | | | | | | | |
| Complete the table of value for $y = \frac{4}{x}$ | | | | | | | | | | | | | | | | |
| <table border="1"> <tr> <td>x</td> <td>0.5</td> <td>1</td> <td>2</td> <td>4</td> <td>8</td> <td>10</td> </tr> <tr> <td>y</td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> </table> | x | 0.5 | 1 | 2 | 4 | 8 | 10 | y | | | | | | | | |
| x | 0.5 | 1 | 2 | 4 | 8 | 10 | | | | | | | | | | |
| y | | | | | | | | | | | | | | | | |
| On the grid, draw the graph of $y = \frac{4}{x}$ for $0.25 \leq x \leq 10$ |  | | | | | | | | | | | | | | | |
