

13th July

Corbettmaths

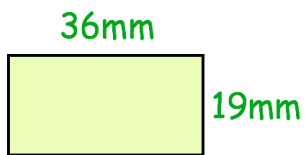

Here are some nets.

Which net is the net of a cube?

Which net is the net of a triangular prism?

Find the perimeter of the rectangle

Add together:

- The number of days in August
- The number of seconds in three minutes
- The number of months in a year

150 students go on a school trip.  
Each minibus holds 22 students.

How many many minibuses are  
needed?
