26th February	**Numeracy 5-a-day**

Corbettmaths

Show the time 7:45 on the clock

|	
Add together 155 and 418	Subtract 183 from 824

Multiply 58 by 3	Divide 720 by 5

The diagram shows the net of a 3D shape.

What is the name of the 3D shape?

George is paid £8 an hour.
He works 26 hours in a week.

How much money will George be paid?
