Write an algebraic expression that says:

4 more than x

7 less than c

3 multiplied by y

m divided by 3

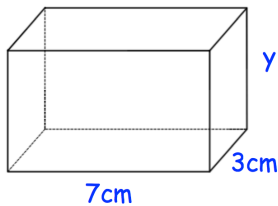

M A T H E M A T I C S

what is the probability of selecting a M?

What is the probability of **not** selecting a vowel?

Increase £6 by 5%

Decrease £60 by 20%

The volume of the cuboid is 105cm^3

Find y
