

It costs £8 to go on a bowling trip.  
A year group of 78 students go on the trip.

How much do they pay in total?

Write down all the prime numbers between 20 and 30.

Write down all the square numbers between 20 and 70.

Work out

$$\frac{3}{5} \text{ of } 25$$

$$\boxed{\text{£}15 \times \text{number of hours}}$$

The cost of a plumber is found by using the formula above.

Mr Smith hires a plumber and the job lasts 7 hours.

Work out the total cost.

Both rectangles have the same area.  
Find the length of the second rectangle.
