

In 5 games, a footballer scores:

1 2 1 3 4

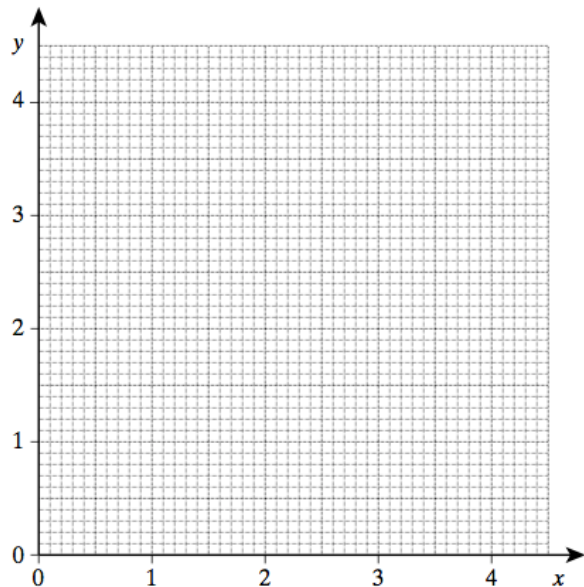

What is the median?

What is the range?

Factorise

$$y^2 + 8y$$

A pizza has a circumference of 50cm.
Work out the diameter of the pizza.

Complete the table of values for

$$y = \frac{1}{2}x + 2$$

x	0	1	2	3	4
y					

On the grid, draw the graph of

$$y = \frac{1}{2}x + 2$$
