

Work out

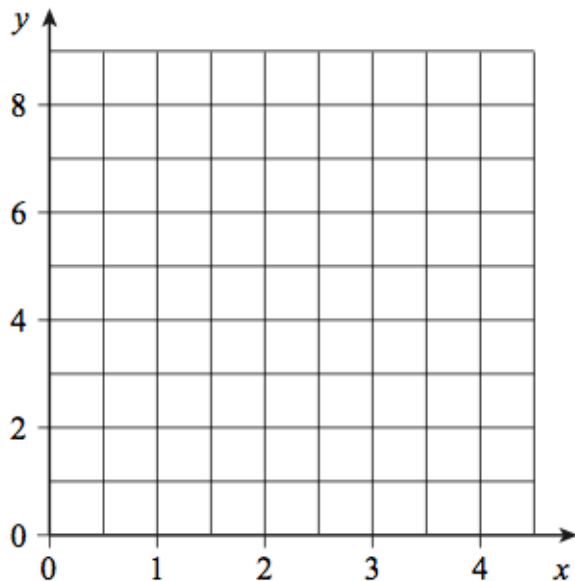

$$3 \times (2 + 4)$$

$$2 \square 5 \square 10 = 0$$

Put the correct operations into the boxes to make the sum correct

Work out the cube of 4

Work out the square of 18.5

Complete the table of values for the graph $x + y = 6$

x	0	1	2	3	4
y		5			

On the grid, draw the graph of $x + y = 6$.

Mr Jones is given a pay rise.
Before the pay rise he received £10 an hour.
After the pay rise he received £25 an hour.

Calculate the percentage increase.
