

$$\square + \square 2 = \square -1$$

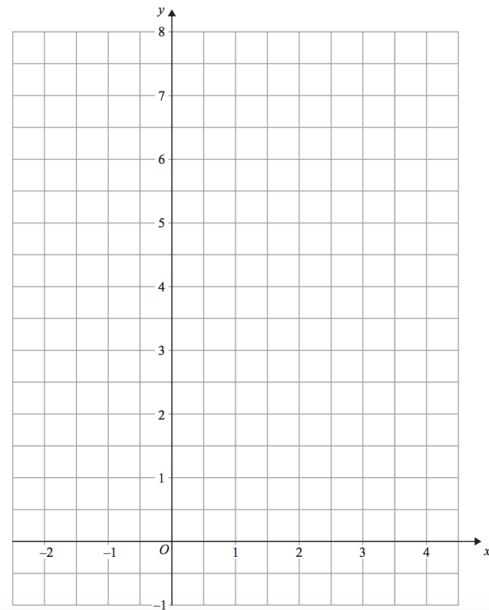

$$-6 \times \square = 36$$

List the first 5 cube numbers

Complete the table of values for

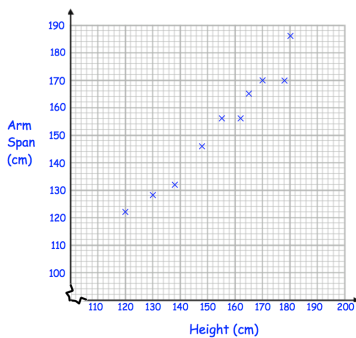

$$y = \frac{1}{4}x + 5$$

x	-2	-1	0	1	2	3	4
y							

On the grid, draw the graph of

$$y = \frac{1}{4}x + 5$$

What type of correlation does this scatter graph show?
