

Work out

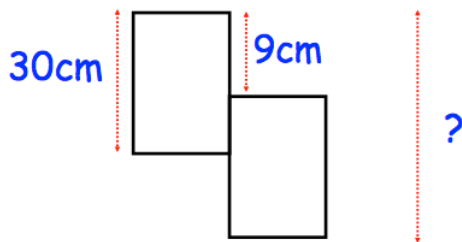

$0.89 \times 10$

Work out

$64.5 \div 10$

Simplify fully

$$\frac{35}{60}$$

Shown are two identical rectangles.  
Find the missing length

$23 + 43 + 95$

$392 \times 6$

Work out  $9^2$ 

What is the square root of 49?
