

How many students had a shoe size of 6?

What is the range of the shoe sizes?

Work out 30% of 60

Write 13 out of 40 as a percentage

The table shows the prices of first and second class stamps for Letters and Large Letters up to 500g.

Musa is going to post a Letter weighing 90g and a Large Letter weighing 200g. He chooses to post them both as second class.

How much money has Musa saved by posting second class instead of first class?

Format	Weight	1st Class	2nd Class
Letters	0 - 100g	62p	53p
Large Letters	0 - 100g	93p	73p
	101 - 250g	£1.24	£1.17
	251 - 500g	£1.65	£1.48
