

The table shows the number of sweets in 20 bags.

Number of sweets	Frequency
23	1
24	4
25	9
26	3
27	3

Calculate the mean.

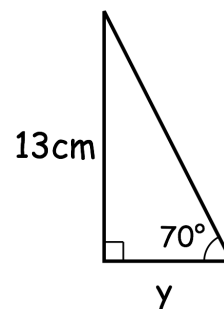

A regular polygon has 15 sides.
Find the sum of the interior angles.

Find the size of each interior angle.

Expand and simplify

$$(9y - 7)(2y + 3)$$

Calculate length y

Write $8 \times (2^2)^4$ in the form 2^x
