

What is the reciprocal of 4?

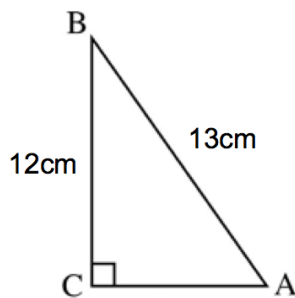

What is the reciprocal of 0.5?

Work out

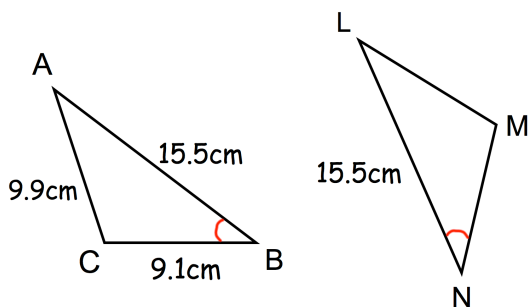

$$1\frac{1}{2} \times 3\frac{1}{3}$$

Luka runs 2.25 kilometres in 5 minutes.

Calculate his average speed.  
Give your answer in m/s

Calculate the size of angle ABC.

ABC and LMN are congruent triangles.  
Angle B = Angle N

Write down the length of LM.
