

Find the perimeter of the rectangle.

The table shows the ages of all the members of a family.

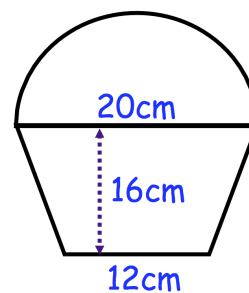

Age	Frequency
$0 < A \leq 10$	4
$10 < A \leq 20$	9
$20 < A \leq 40$	12
$40 < A \leq 60$	11
$60 < A \leq 100$	14

Calculate an estimate of the mean.

Dennis says that the range of the ages is 48 years.

Is Dennis correct? Explain why.

Shown is a logo.  
Calculate the area of the logo.

Hassan reads 40% of a book on Monday night.

He reads 30% of the remaining pages on Tuesday night.

What percentage of the book has he read in total?
