

Construct the perpendicular bisector of AB

Write down the value of 25^0

Write down the value of 2^7

$$2x + 3$$

$$2x$$

$$4x - 8$$

$$x + 14$$

The sum of the four expressions is 189.

Calculate the median.

The diameter of the sphere is 11cm.
The volume of the cube is twice the volume of the sphere.

Find y .
